I think it's just a matter of reflecting OT on your time card. We'll figure it out. But do track your hours. Thanks, Libby

Hi Chris and Cynthia,

I did not approve your request for comp time related to the Gold King Mine because the decision was made that employees would be paid overtime and not comp time. Check in with Christine Portillos who is at IC should you have questions. We can correct timecards

when you return.

Thanks, Libby
